Dedication

Looking back on our high school years, we notice that there are certain people who have possessed the patience and understanding necessary for giving us a special kind of guidance.

Mrs. Mandy and Mrs. Marsiglio have helped us in many ways, many times, and we would like to sincerely thank them for all their caring and concern.

ACTIVITIES

Godspell

In the fall of 1981, the Marlboro High School Drama Club gave a fine performance of the play ***Godspell,*** a rock musical. The actors are cast primarily as clowns, in improvised costumes, to enact the simple stories, sayings, and parables of the Gospel according to St. Matthew.

Included in their adaptation were charades, pantomime, vaudeville antics, and tap and soft shoe dancing.

The play was a success not only for its fine acting, which received two well deserved standing ovations but also by sharing with its audience the universal message that "Life is good and people should love, forgive and accept one another!"

RD #1 Box 249A

There comes a time in all our lives when we realize how important it is to appreciate those we know and love because the time we have to spend with them is so very short.

For us, that time came last spring when we lost Bobby and Barbara Mackey. They will not soon be forgotten, for though they are no longer with us, their presence remains in our hearts and minds because of the good times they helped create.

All we can do is to cherish the memories of those we've lost, and remember to take full advantage of the time we have to share with those still with us.

If we take the time to be amiable and considerate to others, to accomplish tasks we have to do, and yet still enjoy the things we like to do, then none of our lives can ever be called a waste.

KINGSTON TRUST BANK

"LIKE THE TEACHER, THAT YOU ARE"

dedicated to Mrs. Martuscello

by Rose Adamski

How many times I'd call on you,
I'd call to ask a question or two.
You always helped in so many ways,
the questions you answered, shortened my days.

There were times I was confused,
didn't know what I wanted to use.
"Like the teacher that you are,"
in my poetry there is no mar.

Only because I called on you,
when I didn't know what to do.
Thank you for everything you did,
for all the answers that you give.

How many people could I call,
that would really give their all.
That's the way you were with me,
always so pleasant, you would be.

You've taught my children what they know,
you have even watched them grow.
Now you are teaching and helping their mother,
because I would ask no other.

So thanks again, for all you've done,
you taught my daughter and my son.
Now you are teaching me . . .
If it weren't for you, where would I be?
